# LEKTRIX NÖPH

Electronic Traveler

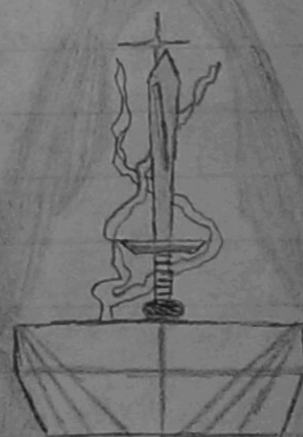

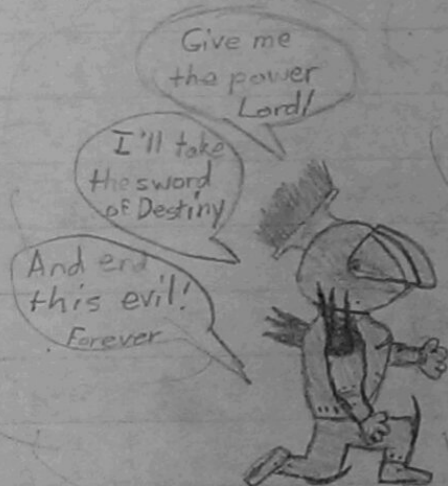

## CHAPTER 1:

How it started

LEKTRIX NÖPH was going to receive the sword of Destiny to go after an evil on Earth known as

Somewhere in dimension 270...

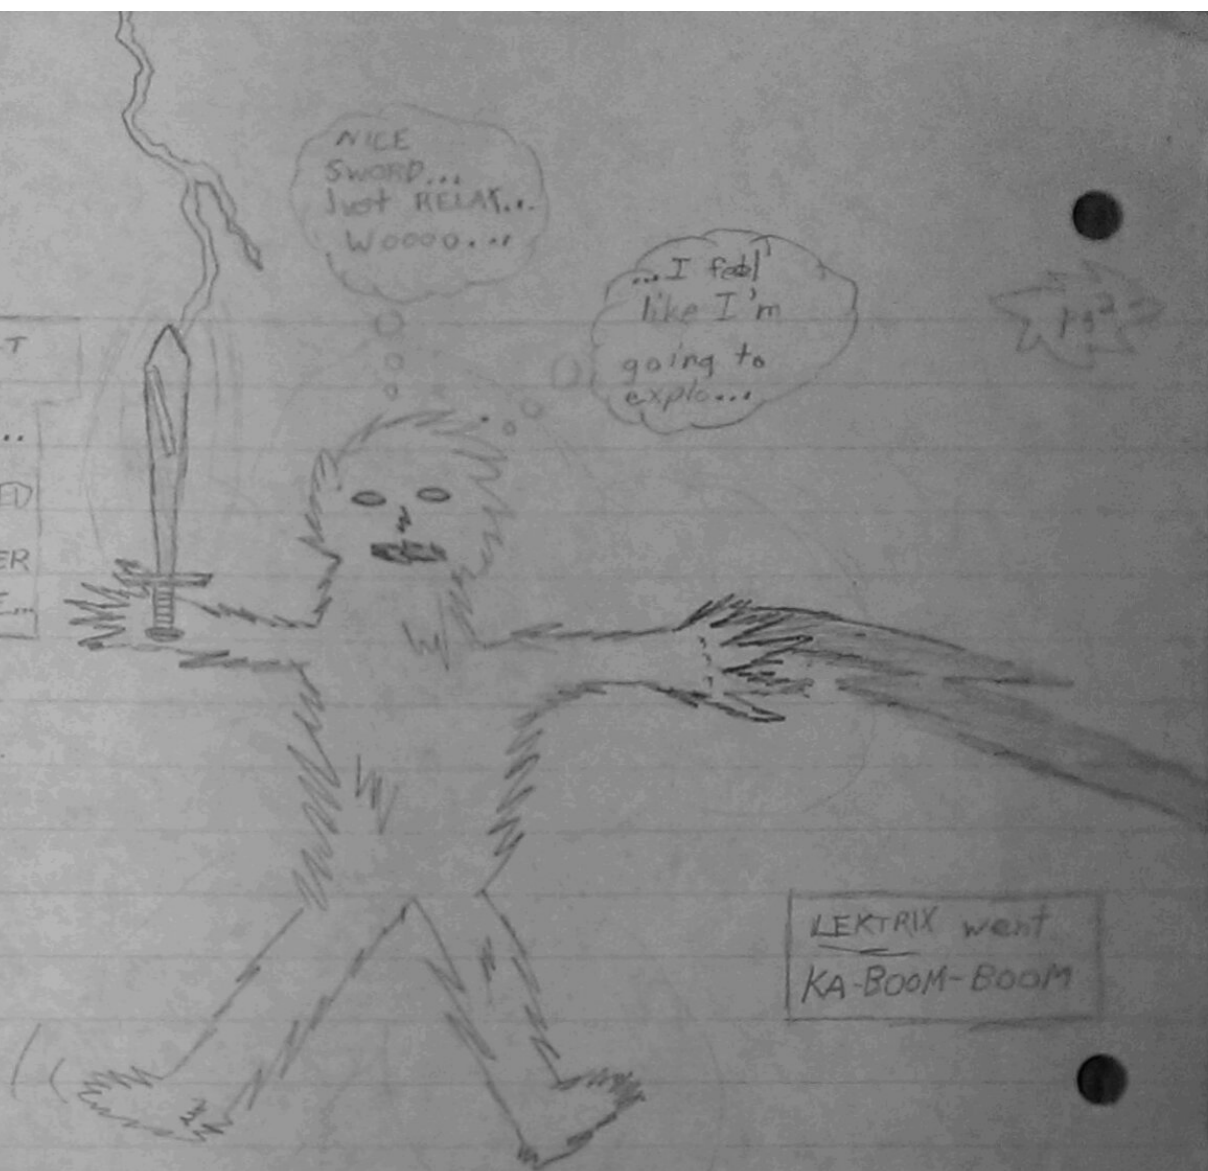

Cain...

LEKTRIX  
bravely  
grabbed  
the  
Sword  
of  
Destiny

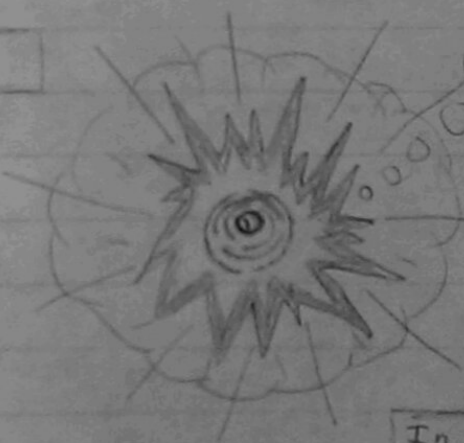

Dimension 270 was the dimension we humans would call electronic machines. Unknown to LEKTRIX NÖPH at the time... He'd have the power to tap the power from machines!

LEKTRIX FELT  
ATTEMBLING  
INSIDE HIM...  
AS IF  
OVERFLOWED  
WITH RAW,  
PURE, POWER  
SO INTENSE...

LEKTRIX went  
KA-BOOM-BOOM

The EXPANSION of power  
was an awesome  
display...

So this  
is what it  
feels like to be  
the center of  
a jelly donut.

In the center of the  
EXPANDED power appeared  
a floating, glowing, blue ball.

LEKTRIX

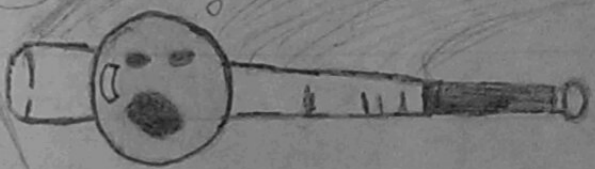

was studying  
his new  
form.  
He then  
realized  
something.

Oh this is  
most definitely  
cool... I'm a  
ball... Oh that's  
just great.  
I'm floating...

So I'm  
supposed to  
save the  
Earth like this...  
A ball! Hey! Where  
is the sword?

CRACK!

A  
Bat?

SPLAT!

Heed the warning  
LEKTRIX! Do not try to stop  
me, Or I will end your life.

LEKTRIX had  
his first  
Run-in  
with  
CAIN.

You Fool!  
I am CAIN  
Master of  
Evil!

I see  
like a banana  
mush...

Who's  
this?  
bum!

Who  
ARE  
YOU?

What  
a  
Geek!  
a BIG  
GEEK!

MEG LACE  
is  
LEKTRIX's  
girlfriend

Where  
is the  
Sword of  
Destiny?

LEKTRIX  
realizes  
what  
his  
real  
destiny  
is...

Oh! you must mean this  
sword. This sword just  
gave me more power.  
With it I will rule Earth!  
And kill all who try to stop  
me. Like you little one.

Oh yeah!

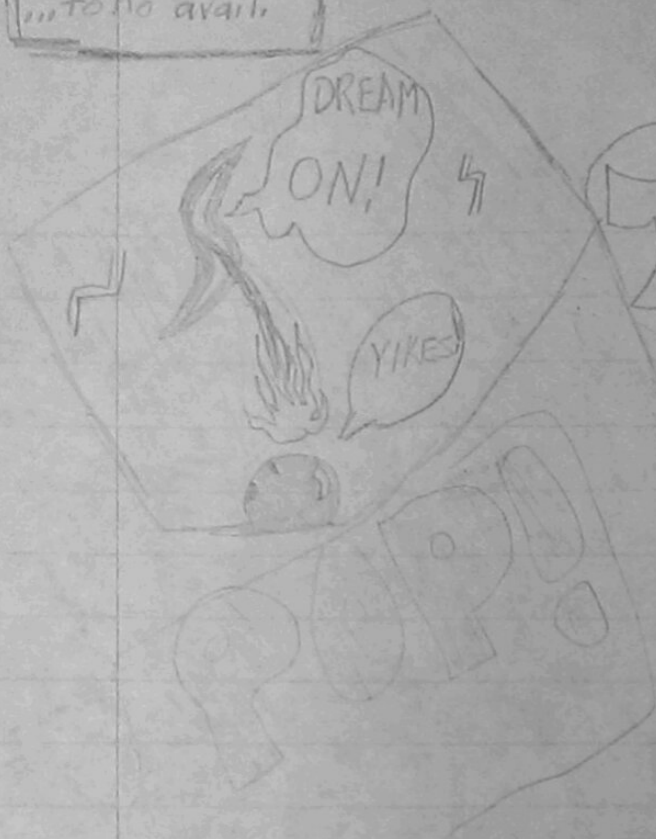

stay away or  
you'll never  
see MEG  
again!  
Ha Ha Ha Ha!  
Have a nice  
daddy!

You @&@s! Come  
back so  
I can kill  
you!

LEKTRIX shouts out  
his feelings...

...to no avail.

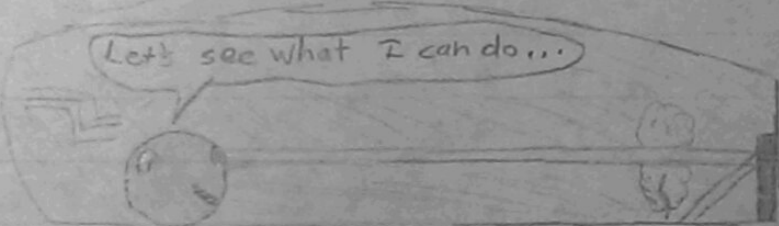

THUD!

pg 4

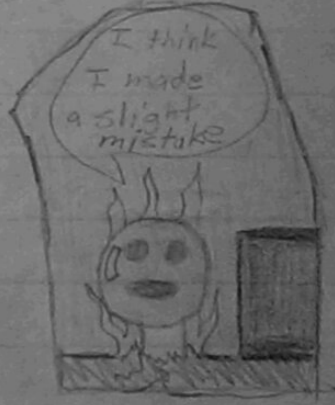

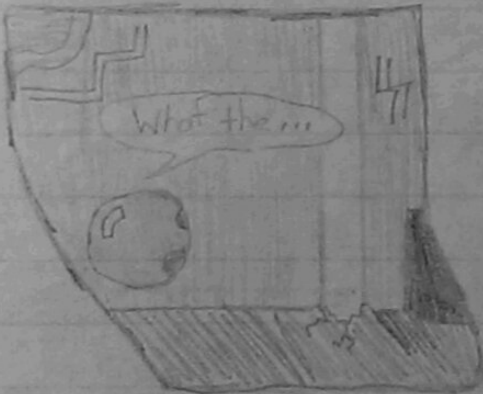

I've got to stop doing that.

What a day!  
I exploded, turned into superball,  
met the master of evil, got hit by  
a bat and a fireball, lost the sword.  
Destiny, the worst of all, then gets  
kidnapped by super super nase spray.

LEKTRIX used his  
eye lasers to see  
what would happen...

LEKTRIX  
opened  
a portal  
to the  
electronic  
world...

Where  
is  
he?

Who put out the fire?  
What happened to LEKTRIX?  
What will happen to the  
little blue ball of fire?

## Origin of LEKTRIX NOPH

pg. 32

LEKTRIX's life was once peaceful. Then one day CAIN, a deity who had been in slumber for a millenium of time awaked, and had the power to take over dimension 270\* and then planned to take over the real earth. A peaceful group called the (Brethren) had kept CAIN away for awhile until CAIN learned the secrets of warping around dimension 270 and killed all the members of the Brethren except for \*COMP the leader. He later got killed. Before he died he made plans for his apprentice LEKTRIX to be the last chance for dimension 270 and perhaps the world. LEKTRIX tried with the sword of destiny to dispose of CAIN. There was a blue mirrored ball which COMP gave to LEKTRIX. The Sword of destiny turned LEKTRIX into that blue ball. Hence, LEKTRIX NOPH became the blue ball hero.

MEG LAKE has been LEKTRIX's girlfriend for the longest time. CAIN kidnapped her to try to put a end to LEKTRIX.

CAIN has done pretty much a lot of illegal stuff. Things that nobody dares come after him with. 1<sup>st</sup>) the murder of 407 people, (Brethren) 2<sup>nd</sup>) murder of 1,906 helpless people, 3<sup>rd</sup>) kidnapping of MEG LAKE and possible murder, 4<sup>th</sup>) theft of the Sword of Destiny, and hundreds of other things. CAIN was created at the begining of time and was in slumber until 1989. He has been a troublemaker ever since.
